

WINTER INCENTIVES & SEMINARS AT CUBE

Set against the **brehtaking mountain scenery of Tyrol's Zugspitz Arena**, the new CUBE BIBERWIER-LERMOOS is a spectacular example of modern design coupled with unconventional architecture, a unique sports programme and community without end.

CUBE guarantees **varied adventure and excitement in the Alps**. Located directly at the slope next to the base station of the Marienberg lift, CUBE BIBERWIER-LERMOOS is the perfect point of departure for all winter sports activities in one of Austria's largest and most attractive ski area near the German border. **Top off a perfect day of meetings and seminars at CUBE with the right outdoor and teambuilding activities, individually tailored for your event.** The perfect combination of design without compromise, sport without borders and community without end makes CUBE a popular "Homebase" for exceptional events, incentives, seminars & teambuilding activities.

CUBE is everything but ordinary. IT'S YOUR HOMEBASE.
